Safety is Our Top Priority

The safety of our students and staff is a top priority every day. We will all need to do our part to keep each other safe this school year.

Safety

It is vital that students practice safety drills each school year. It is also essential that they take the safety drills seriously.

Crisis planning is necessary to ensure the safety of everyone.

Lockdown Drill

Shelter in Place

Fire Drill

Bus Safety Drills

Active Shooter Drills

Metal Detector

Security Notice

All persons and property are subject to search with a metal detector or other means authorized, as a condition of entry to the school.

- No weapons or firearms
- No explosives or flammables
- No knives or sharp objects
- No pepper spray or mace

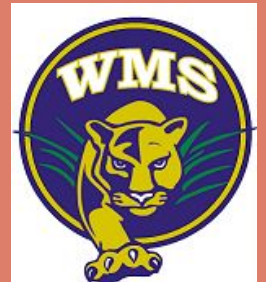

Math Expectations

- Students will be required to complete 3 Zearn Lessons a week.
- Zearn will be used to accelerate students.
- Students will be required to complete 5 or more DreamBox Math lessons a week.
- DreamBox Math will be used to help students close gaps in their math skills and understanding.

Zearn Math

- Is evidenced by research,
- Is uniquely positioned to support educators in accelerating math learning for all students.
- Provides dynamic digital lessons proven to significantly impact the learning gains within a typical year of instruction.

Attendance Concerns

94.58% - Percent Present 2019-2020 School Year

92.63% - Percent Present 2020-2021 School Year

90.46% - Percent Present 2021-2022 School Year

91.77% - Percent Present 2022-2023 School Year

89.35% - Percent Present 2023-2024 School Year (10.65 Percent Absent, 5,212 days absent)

Attendance

- Please send a parent note or doctor's note when your child is absent from school.
- Students may only be absent 5 days each semester.
- Being absent 2 days each month is considered chronic absenteeism. (Students end up being absent 18-20 days from school.)
- There is no substitute for lost instructional time.

Student Academic Goals

- Complete 3 Lessons in Zearn Weekly
- Complete 5 lessons in DreamBox Math weekly.
- Students should only make an A, B, or C on their progress report and report card.
- Complete 45 - 75 minutes in Amira each week.

Growth Example for a Student 3 Years Behind Grade Level

3 Grade + 1.5 Year of Growth = 4.5 Grade Level

4.5 Grade + 1.5 Year of Growth = 6 Grade Level

6 + 1.5 Year of Growth = 7.5 Grade Level

Even with 1.5 years of growth every year of middle school the student would still go to high school behind.

Behavior or Questions Regarding Discipline

Any questions regarding the Student Handbook, behavior or discipline are to be directed to Assistant Principal Mr. Darryl Davis (ddavis3@ebrschools.org) or Assistant Principal Leslie Tate (ltate1@ebrschools.org) or Dean of Students Dallas Rogers (drogers@ebrschools.org)
