

1. Parents go to wheresthebus.com to create an account.

2. Parents select their School District from the drop down menu.

What school district does your student attend?

3. Parents enters their cell phone number.

- A) If the cell phone # entered matches the number of a legal guardian on file in Jcampus, a code is sent via text to the phone # entered.
- B) If the code parent enters matches the code sent, parent proceed and set up an account (username/password) **This can be shared across multiple devices**
- C) The parent account is automatically linked to the student/BusPlanner bus assignment information.

Add phone number [X]

Enter the cell phone number of the legal guardian to receive the one-time activation code:

Note: Cell Phone Number entered must match Cell Phone Number on record with East Baton Rouge (LA) to authenticate your account.

****This phone number must be the same phone number under the miscellaneous number within the Jcampus student demographic page****
